DETAILED ACTION

1. Receipt is acknowledged of amendments filed on 7/25/2006.
2. Claims 1-42 {including new claims 38-42} are presented for examination.
3. This application claims benefit of 60/453,365 filed 03/10/2003.

Allowable Subject Matter

4. Claims 1-42 are allowed.
5. The following is an examiner's statement of reasons for allowance: The prior art of record taken alone or in combination with any other references fails to teach means of operatively engaging a structural portion of a card reader with a fascia portion during relative movement of the user interface and the structural portion toward each, and moving the fascia portion relative to the machine housing responsive to operative engagement to an operative position of the fascia portion, which operative position enables a card to be passed to the card reader from outside the machine through a card accepting opening through the fascia portion. These limitations in conjunction with other limitations in the claims invention were not shown by the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

6. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Farquhar (U.S. 6,729,538) discloses card reader module.
